Dear Mr. Patten and Ms. Liles:

The application of Cave Creek Water Company ("the Company") for an extension of its Certificate of Convenience and Necessity, Docket No. W-01452A-06-0449, has not met the sufficiency requirements as outlined in the Arizona Administrative Code ("A.A.C."). Pursuant to A.A.C. R14-2-411(C)(3), Staff may terminate an application if the applicant does not remedy all deficiencies within 60 calendar days of the notice of deficiency.

To correct the deficiencies, please provide the following information:

1. A Water Use Data Sheet for the most recent 12 months available.
2. The estimated total cost to construct facilities to serve the extension areas.
3. A description of planned facilities to serve the extension areas and the schedule for construction.

Also, please keep Staff informed about the Company's progress in obtaining documentation from the Land Department showing either support, consent or non-objection to Cave Creek Water Co.'s CC&N extension into areas under the Land Department's control.
